

# Prayerstorm for a Christian Europe

By this initiative we pray for the conversion of all people living in Europe and for governments, orienting themselves towards the commendments of God.

I am ready to daily pray at least one decade of the Rosary or an adequate prayer in this intention.

**Father Petrus Pavlicek, pray for us!**

(You do not sin, if you cannot hold this promise)

## **Prayer Initiative for a Christian Europe (Storm of prayer)**

The discrimination and the slow disappearance of the Christian culture in Europe inspire fear to many people.

The commandments of God, which formed our Christian occident, are less and less respected by governments and many people. Due to this concern, a prayer-initiative was founded among a large prayer-community, praying since many years for various intentions: It is the „*Prayerstorm for a Christian Europe*“.

We were encouraged by the model of the rosary-crusade for atonement to lance it, that was founded by Father Petrus Pavlicec, OFM. from 1947 on, Father Petrus won up to 500.000 persons to pray, who committed themselves to daily pray the sorrowful Rosary until the Russians, who then occupied Austria, would leave the country. The Red Armeel left Austria in May 1955!

**Sister Lucia said in Fatima:** „There is no problem, however grave it may be, that we cannot resolve through the prayer of the Rosary.“

Within our initiative we pray for the conversion of all people living in Europe, and for governments, in order to orient themselves in regards to the commandments of God.

Through my signature I commit myself to **pray a decade of the Rosary daily** in this intention. To enroll and to receive lists for signatures, please contact [europa.gebetssturm@gmail.com](mailto:europa.gebetssturm@gmail.com) or Theresia Pustal, Kirchplatz 1, D-87509 Immenstadt, Telephone: 0049 8323 9696031.

Help us to win 500.000 persons willing to pray, in passing on the *Initiative of the Prayerstorm* – also to persons in other European countries.

This initiative is supported by bishops and was presented at the Congress *Joy in Faith* at Fulda 2018 Germany.
